

AUSTRALIAN CAPITAL TERRITORY (ACT) STATE MIGRATION PLAN OCCUPATION LIST November 2010

The ACT 'State Migration Plan (SMP) Occupation List identifies occupations that are in demand in Canberra. The occupations listed do not relate to a specific job vacancy, nor represent a guarantee of a job in a specific occupation. The applicant should understand that the ACT Government is **NOT** responsible for finding them employment, accommodation or for providing any form of financial assistance. Applicants must compete for positions with all people in the labour market as part of the normal selection process. Success will depend on employer requirements, relevant skills and experience and level of English ability.

SMP Occupation List updates

The SMP Occupation List will be updated on a regular basis to show the current status of the skill demand against each occupation, as demonstrated below:

Closed	nomination places are not available for this occupation.
Limited	nomination places are limited. Occupations must be VERIFIED before the application for nomination is lodged.
Open	nomination places are available for this occupation.

VERIFICATION OF 'LIMITED' OCCUPATIONS

A 'limited' occupation indicates that the current ACT target for this occupation is almost met. Applicants seeking nomination of a 'limited' occupation **must** have the occupation verified by the SBM Unit **before** an application for nomination is lodged (see nomination guidelines for further information)
