## About Abhinav

***We are the change makers in people's lives where it matters the most. Bridging geographical barriers and connecting worlds is our motto. We believe in helping you and your family to live a good quality life. So, as global immigration and visa specialists, we play an important role in helping people select their new settlement destination.***

Established in 1994, ABHINAV is an Immigration and Visa Consultancy Company catering to possible immigration needs of its clients. We have a network of offices with experienced staff and seasoned international associates including professionals, lawyers and authorized representatives for major immigration destinations. We are ideally positioned to assist our clients in choosing the right immigration destination and handholding them through the entire immigration process. Our understanding of concurrent immigration rules and procedures and learning through past precedents in managing various immigration and visa situations ensures proper presentation of application forms and the overall credentials of our clients.

ABHINAV caters to those seeking living and work options to all major countries such as Canada (Federal and Quebec), Australia, UK, Denmark, Singapore, Hong Kong and other popular destinations. Our USP is our transparency with clients at all stages of application process.

Our services include all forms of immigration and visa applications such as Permanent Resident and Skilled Migrant visas, Investor and Business immigration applications, Temporary Work Permits and so on. Filing pleas and appeals against rejected and refused applications is our forte.

Ajay Sharma is the Founder at ABHINAV. In his vast industry experience, he has worked with an array of clients from both India and abroad and continues to gain respect for his solution-oriented approach to complicated immigration and visa issues. His blog at [www.abhinav.com](http://www.abhinav.com) on immigration and visa matters is among the most read across the nations.

With our solution – based approach, all we need is our clients to think beyond limits so that we can put our best foot forward. This provides us the challenge to perform better and exploit our expertise making each of our cases, a big success.

***So, let experience stand by your side in this life-changing decision called Immigration!***

## Hong Kong

Hong Kong is often touted as one of the most vibrant cities in Asia and in the world. The place has its own charm which often allures people to come and enjoy the city and even stay back for years or even forever!

This city-state is a Special Administrative Region under the People's Republic of China. It is the commercial hub of the country. Over the years, the region has proved to be one of the most attractive Asian immigration destinations.

This place is one of the prominent financial hubs in the present times. Being a financial center means enormous business prospects and employment opportunities. Career prospects are one of those reasons that make Hong Kong popular among world population. It is a proven land of opportunity, which is why people flock, even from mainland China to lead a better life.

Over the years, Hong Kong has beaten other Chinese commercial centers like Shanghai in popularity. The city's economic and political stability, coupled with distinctive tax regime, legislative system and employment opportunities are critical in attracting people to make Hong Kong their home.

The liberal immigration policies have enabled people from almost 170 nations and territories to enter the place without any visa for a period of 180 days. Also, the low crime rate is an important reason for migrants from different parts of the world selecting this region to settle down.

With each day, the popularity of this region continues to grow which is proven by more number of people walking into the nation each year.

### Facts(World Standing)

- Third busiest container port
- Second most competitive economy
- Second highest broadband penetration

## Economy

Hong Kong has amongst world's most proven, stable and developed economies. It is the hub for international business, trade and finance, due to its natural harbor and free market economic policy. It boasts of efficient and productive work force that has been helping the city to grow economically. Coupled with western business methods and advanced infrastructure and technology, its highly efficient work force has made Hong Kong a prominent economy on the world map.

The political stability, the tax system with other business perks has helped the nation stand apart in the world economy. Entrepreneurs from across the world are showing their interest in Asia, especially in this heart land. Banking, insurance, telecommunication, information technology and tourism are the major service industries where a majority of the population in Hong Kong is engaged.

Hong Kong truly stands as an Asian leader in many industries, especially finance and information technology. Factors like strong work ethic, advanced technologies, business-oriented environment are making this city a prime choice in the continent for every entrepreneur to spread or set up a business. It is a dream country that offers great job opportunities for skilled professionals. This nation is definitely the one that an individual can make his/her permanent home and an ideal place to bring up the family.

### Facts(World Standing)

- Sixth largest foreign-exchange market
- Fifth busiest airport for international passengers
- Highest concentration of fund managers

## Hong Kong Quality Migrant Talent Scheme

This scheme is also known as the Quality Migrant Admission Scheme. It is a scheme for those who intend to live and work in Hong Kong. The main objective of this program is to attract the highly skilled foreign migrants who could contribute to the economy of Hong Kong. The scheme would permit entrance to those migrants who otherwise do not have the right to enter and reside in the region.

In order to qualify under this program, an applicant does not need to have an employment offer in prior. However, a set of prerequisites have to be satisfied under the Points Based Test – The General Points Test and Achievement-based Points Test. A quota would be allotted to the applicant based on the scores obtained in either of the above tests.

Successful applicants are permitted to bring their dependents (spouse and unmarried children below 18 years of age). However, the applicant should be able to support self and dependents during their stay in Hong Kong. For this, sufficient financial resources are a must and should not depend on public assistance.

*Note: Citizens of Cambodia, Nepal, Korea (Democratic People's Republic of), Afghanistan, Vietnam, Laos, Albania and Cuba are not eligible for this scheme.*

### Facts(In Asia)

- Highest rate of telephone penetration
- Second most business-friendly economy
- Highest cellular mobile telephone penetration
- Largest centre for venture capital

## Eligibility Criteria

The Quality Migrant Admission Scheme is an entrant scheme for Hong Kong which is based on a quota. This program is for skilled professionals and entrepreneurs who intend to live and work in Hong Kong. All the qualifying criteria are assessed on a Points Based Test and then allotted a quota. The basic eligibility criteria include the following:

- **Age:** All the applicants should be atleast 18 years of age when they file their application.
- **Academic Qualifications:** A bachelor's degree from a recognized university/institution with first class scores. In case, the applicant does not have a bachelor's degree, his professional experience, technical qualifications and other achievements are considered. Those who have a master's degree or higher have excellent chances of their applications being approved.
- **Financial Requisites:** The applicant must have sufficient finances to support self and dependents post landing in Hong Kong.
- **Language Skills:** All applicants must demonstrate proficiency in either English or Chinese. To be eligible under this scheme, an average score of 6.0 in IELTS is a must.
- **Character:** All applicants must have a good character and should not have any form of criminal or negative immigration record in Hong Kong. Police clearance certificates from all the nations where the applicant has resided for more than a year in the last 10 years have to be provided.

### Facts (In Asia)

- Second largest syndication loan centre
- Second least corrupt place in the world

### Facts (In Asia)

- Second largest recipient of foreign direct investment
- Second largest source of foreign direct investment

## Points Based Test

Under the Points Based Test, all applicants are assigned certain points for each criterion for eligibility. Based on these, a minimum pass mark\* has to be scored by the applicant for his application to be processed further. There are two options provided here:

### Option 1 – General Points Test

The General Points Test caters to many aspects based on which points are awarded. The minimum pass mark here is 80 out of 165 points.

Eligibility Criteria	Level of Points
Age	Those in early 30s have the maximum advantage. Although younger applicants have a better chance.
Academic Qualifications	Applicants with higher qualifications are preferred.
Work Experience	Applicants with higher number of years of total work experience are preferred. Also, those in decision making capacity have a good chance.
Language Skills	An average score of 6.0 in IELTS is expected.

Other factors include family factors such as qualifications of the spouse, children and their age.

### Option 2 – Achievement-Based Points Test

This test is meant for applicants with exceptional talent, skills with outstanding achievements. There is only one-point scoring factor of 165 points. This point can be scored if one of the following has been satisfied:

- An applicant has received an award of exceptional achievement, such as Olympic medals, Nobel prize, or national/international awards
- He can demonstrate that he has been acknowledged for his contribution to a particular field. For instance, a lifetime achievement award in a particular industry.

*\* The minimum pass mark is subject to change without prior notice.*

### Facts

- Third largest international banking centre
- Second most developed insurance market for per capita insurance
